I'm back after performing a spectacular face plant...

Many of you have expressed concern over the fact that I have been out of commission for quite a while. I thank you for your interest and really appreciate the fact that I was missed.

I actually took a face plant.

Have you ever experienced a time in your life where you just felt like removing yourself from the day-to-day happenings? Perhaps you have gone through a crisis, or there are pending concerns about the future or you are overworked. Your interest in your business, your friends and your activities has waned and you just feel like crawling into a cave and disappearing for a while. You have lost your appetite for social gatherings, hobbies and anything that involves interaction with others. (You do not however seem to lose your appetite for food or drink!).

Productive Presentations: Avoiding "Death by PowerPoint"

Recently we had a client request our help on an important presentation and it was the culture of the organization to support such presentations with slides. Here are five key skill layers that we shared with them as we helped them with their presentation. In addition to PowerPoint these layers also apply to Keynote for Mac and any other presentation medium.

STRATEGIC SOLUTIONS

Change Management is all about Communication

We recently completed a contract for a company that, due to increased competition, needed to upgrade their strategic planning and create solutions for moving forward to increase their profitability performance and productivity.

The success of the project depended on the initial involvement of staff who were consulted

and communicated with on a regular basis. It turned out to be a win-win situation for everyone.

MaxTip! Change management cannot be mandated. It must incorporate all aspects of the business and who better to judge those than the front-line staff who know, more than anyone, what is happening.

CONSULTING AND COACHING

NEW! Mastermind Coaching Circles for Women

- * Do you want to create more focus in your life and business?
- * Are you ready to grow personally and professionally?
- * Do you have the desire and inspiration to make this year extraordinary?

A Mastermind/Coaching circle involves between 3 and 6 participants who meet (in person, on the phone, via Skype, chat rooms, meeting software, etc.) to share, learn, improve what they do and be successful. Built on a foundation of total commitment, honesty, respect and compassion participants offer support, ideas, inspiration and motivation.
