“Gold Medal” Your presentation at the annual meeting of The Million Dollar Round Table in Vancouver was superb. Thank you. A well thought-out and equally well-presented program. Your commitment truly enhanced MDRT’s caring and sharing reality.

Speaking Topics

What do you do with your 86,400 Seconds per Day?

Do you ever get to the end of the day and think “What did I get done?.” Your many tasks lists are out of control and buried in your e-mail are many requests for action that you have not gotten to. You find yourself reacting to visitors, phone calls, and immediate needs but rarely gain a sense of completion.

This presentation takes you through the 5 steps to productivity that show you how to apply specific principles. It offers in-depth tips and tools that result in a great sense of accomplishment and control over your time.

MInd your own Business

Is your organization achieving it’s goals? Does it even have goals! Do you have workflow and information management systems and practices that save time, space and energy? Are you maximizing the deployment of time and resources?

This presentation will help you make lasting and productive changes to your culture. You will increase efficiency, reduce stress, gain control and make positive changes to the bottom line.
